ANYTIME. ANYWHERE.

MyUsage gives you access to your daily utility spend and your daily usage through a mobile app or secure website. That way you can understand what your balance is and how to make informed decisions about your household energy consumption.

"The mobile app is better because you can watch everything every day and know what it takes to keep your lights on and put what you want on the bill instead of not knowing what to expect when the bill comes at the end of the month"
- MyUsage Mobile App Customer

MYUSAGE

POWER-UP!

MyUsage gives you the freedom to pre-pay. Avoid late fees, deposits and reconnection fees. It's easy to track your usage and POWER-UP using your smart phone or online.

STAY ALERT

You may select daily usage/balance, low balance and pending disconnect alerts to keep you up-to-date on your utility. Powered with information about your usage, you can choose to make adjustments that will reduce your consumption, resulting in energy and monetary savings.
